

LIHEAP applications will be accepted for the elderly, 65 years of age and older, and the legally homebound, beginning November 1, 2010. Please see the chart below to find your county, service site, service dates and times.

To apply for LIHEAP,

Please bring the following with:

PhotoID

Social Security Cards for all persons in the household

Proof of income for all persons in the household

Most recent heating bill (services must be currently on)

For more information please call the community center in your area.
